PAGE 1 / 1

In response to your letter dated April 22, 2014 on the Schedule B Line 28(a) of our 2013 year end report we submit the following explanation. Refunds disclosed to both American Asphalt Surface and G and L Construction Inc respectively were made due to overpayments sent to us by both companies on behalf of our union members that work for each company. PAC donations are made by our members and deducted from their paychecks paid for by the company that they work for; therefore when there is an overpayment we must refund to the company and not the member as it was the company that made the error and not our member.

In reference to the payment to G and L Construction they had made overpayments to multiple members totalling \$325.00 whereas American Asphalt Surface made one error in sending us the contribution of Bruce Scott for August 2013 sending \$885.00 instead of \$8.85 leaving an overpayment of \$876.15 which was refunded to the company. It is our sincere hope that this explanation is sufficient. Thank you
